 Accounting Progress Toward Degree

 This degree audit report shows your progress towards degree to date to assist you in choosing courses for the next semester. Check your in progress (IP) courses to be sure that you are correctly registered for the current semester. These IP courses are shown in total credits completed (Part One) and the courses themselves are shown in the appropriate locations.

If you are expecting to graduate next semester, you must complete an Application for Degree at the Commencement website at the beginning of the term in which you expect to graduate.

While every effort has been made to assure the accuracy of this report, you are responsible for monitoring and completing all requirements. If you have any questions about this report, bring it to SOM Advising (AA-142) and we will assist you.
